LOGO DESIGN

COMPLETED LOGO DESIGN

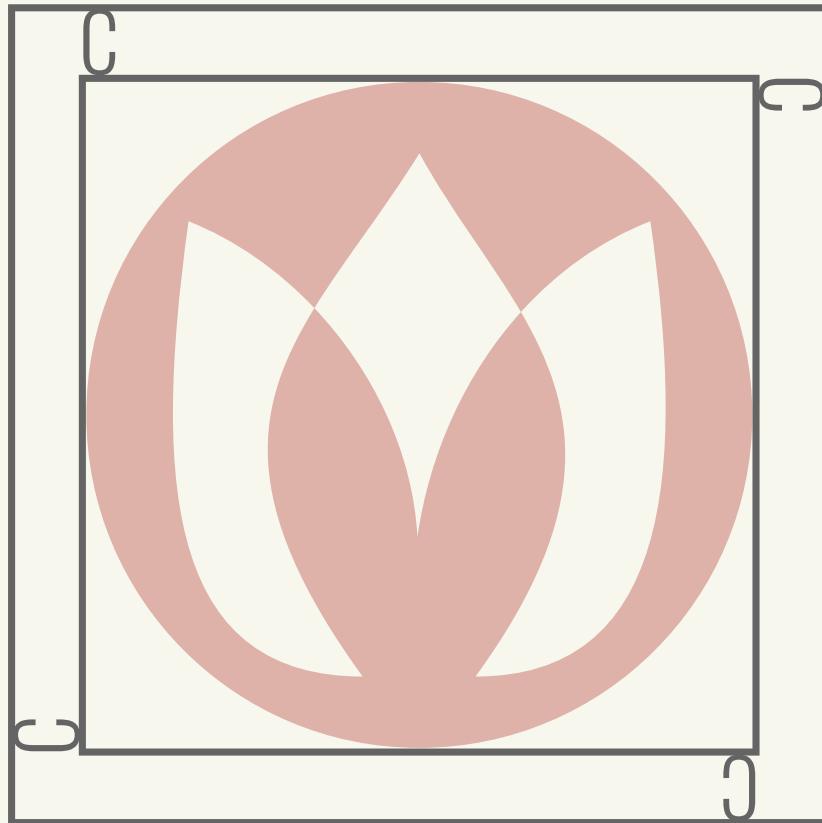

CECI Cosmetics' logo comes from the idea of the Lotus flower. In Eastern religions, the Lotus flower is a symbol of purity, enlightenment, self-regeneration and rebirth.

As a beauty product brand, our concept is hoping every woman could take self-care first. By using CECI Cosmetic's skincare products to build more confidence.

The illustration of "hand" is a symbol of a woman who wants to control their destiny on their own. We believe that there is there are no ugly women, only lazy ones.

LOGO CLEAR SPACE

Clear space is the area surrounding the logo that is kept free of all extraneous elements such as other logos, symbols or text. Clear space ensures that the logo is easy to recognize in all communications.

The measurement for CECI's logo clear space is by using the height of letter 'C' in the wordmark, surrounding the whole logo.

The logo is a part of CECI Cosmetics' website and should be used thoughtfully and consistently.

List of don'ts:

1. Do not rotate the logo to any degree.
2. The logo shape should never be filled with patterns, textures or other special effects.
3. Do not skew or scale the width or height.
